Please refer to our office letter dated 8th March 1948 in connection with Mr. D. Sreenivasan, a 1945 Madras Government Deputationist. The position with regard to the Advanced Course contemplated by the E.M.I. Institutes, which the Madras Government in their letter dated 27th January 1948 consider suitable for Mr. Sreenivasan, still remains the same. There does not seem any possiblity of the course being started within the next two years. I would therefore like to know what further action is proposed for him.
